**PLYMOUTH, NH, MAY 27, 2016** – The New Hampshire Music Festival (NHMF) will present two chamber music series during its 2016 summer season, which runs from July 5 through August 4. The **Tuesday concert series** at the Silver Center for the Arts in Plymouth will be held on July 5, 12, 19, 26 and August 2. **The new Monday concert series in Anderson Hall at Brewster Academy in Wolfeboro will be held on July 11, 25 and August 1.** All concerts start at 7:30 PM. Tickets are \$25 for adults and \$10 for children and students.

“Our intimate chamber music concerts featuring NHMF musicians have always been a popular and engaging part of our Festival. We’re excited to present a new series of concerts in Wolfeboro this season. These concerts, part of a larger initiative to present music across the state, allow our fantastic musicians to share their talents with the southern Lakes Region community,” said Deborah Kosits, NHMF’s executive director.

The new NHMF Wolfeboro Chamber Music Series is made possible with the support of the Lincoln Financial Foundation. **Lincoln Financial Foundation**, the philanthropic arm of Lincoln Financial Group, believes in empowering people to live greater lives, which advances culture and empowers greater positive change. Its grant is part of Lincoln Financial’s annual \$10 million investment in its local communities’ youth education, economic and workforce development, human well-being and arts programs.

**About The New Hampshire Music Festival**

The New Hampshire Music Festival is a summer festival that honors the tradition of classical music while exploring new artistic paths. Our organization offers patrons an engaging, immersive festival experience by presenting world-class performances of symphonic, choral and chamber music. Strong collaborations with community partners are a hallmark of this important cultural institution, enabling transformative music experiences and educational programs to students of all ages.

For nearly 20 years, the Festival has been in residence at Plymouth State University at the Silver Center for the Arts. The festival was founded in 1952 as a small chamber orchestra performing on Melody Island in Lake Winnepesaukee and has grown to be a highly-valued community asset. Every summer during July and August, musicians from around the country come to Plymouth to perform well-known classics and contemporary works.
